Important Notice: Forward-Looking Statements

Statements in this presentation relating to future status or circumstances, including statements regarding management's plans and objectives for future operations, sales and earnings figures, are forward-looking statements of goals and expectations based on estimates, assumptions and the anticipated effects of future events on current and developing circumstances and do not necessarily predict future results.

Many factors could cause the actual results to be materially different from those that may be expressed or implied by such statements. Deutsche EuroShop does not intend to update these forward-looking statements and does not assume any obligation to do so.

Rounding and rates of change

Percentages and figures stated in this report may be subject to rounding differences. The rates of change are based on economic considerations: improvements are indicated by a plus (+); deterioration by a minus (-).
