Disclaimer.

The consensus figures are arithmetic averages of financial estimates submitted to AUMOVIO SE by independent research analysts. To promote consistency across varying methodologies, AUMOVIO SE invited 20 analysts who, to the best of its knowledge, regularly publish written research on the company to provide estimates for the listed financial items. Of these, 6 analysts responded in the requested format, and their submissions were used to compile the consensus data.

The analyses prepared by the listed banks and securities firms are entirely independent of AUMOVIO SE and outside its influence or control. All opinions, estimates, forecasts, projections or predictions as well as recommendations reflected in the consensus figures are solely those of the contributing analysts and do not represent the views of AUMOVIO SE or its management. Reference to these analyses does not imply endorsement or agreement by AUMOVIO SE.

The consensus is not controlled, changed or censored by AUMOVIO SE. AUMOVIO SE assumes no liability and makes no representation or warranty, express or implied, regarding the accuracy, completeness, or reliability of the consensus data or the analyses referenced. Equally, AUMOVIO SE undertakes no obligation to update or revise such estimates and consensus data, even if they differ from the company's own forecasts or expectations. The company further assumes no liability for the selection or correctness of the listed institutions or their submissions. This information is provided strictly for informational purposes and does not constitute an offer, advertisement, investment advice, or a recommendation to buy, hold, or sell securities.
