Rheinmetall AG Launches an Offering of EUR 1 Billion Convertible Bonds

Düsseldorf, 31st January 2023: Rheinmetall AG ("**Rheinmetall**" or the "**Company**", ISIN: DE0007030009, Frankfurt Stock Exchange: RHM GY Equity) is launching today an issue of convertible bonds and is targeting gross proceeds in the amount of EUR 1,000 million.

Convertible Bonds

The executive board of Rheinmetall, with the consent of the Company's supervisory board, resolved today to launch an offering of two series ("**Series A**" and "**Series B**") of unsubordinated, unsecured convertible bonds with an aggregate principal amount of EUR 1,000 million, expected to mature on 7th February 2028 with an aggregate principal amount of EUR 500 million ("**Series A**") and 7th February 2030 with an aggregate principal amount of EUR 500 million ("**Series B**"), respectively (together the "**Bonds**"). The Bonds will be convertible into up to approximately 3.14 million new and/or existing no-par value ordinary bearer shares of Rheinmetall (the "**Shares**"). The pre-emptive rights (*Bezugsrechte*) of existing shareholders of the Company to subscribe for the Bonds are excluded.

The Bonds will be offered by way of an accelerated bookbuilding process exclusively to institutional investors outside the United States of America (the "**United States**") in reliance on Regulation S under the U.S. Securities Act of 1933, as amended, as well as outside of Australia, Japan, South Africa and any other jurisdiction in which offers or sales of the Bonds would be prohibited by applicable law (the "**Offering**").

The Bonds in the denomination of EUR 100,000 each will be issued at their principal amount. Unless previously converted, redeemed or repurchased and cancelled, the Bonds of each Series will be redeemed at their principal amount at their respective maturity. The Bonds will be offered with an annual coupon of between 1.625% and 2.125% in relation to Series A and an annual coupon of between 2.00% and 2.50% in relation to Series B, in each case payable on a semi-annual basis. The conversion premium will be set between 40% and 45% in relation to Series A and between 40% and 45% in relation to Series B, in each case above the reference share price, being the average of the volume-weighted average price of the Shares on XETRA between launch and pricing on today's trading day.

The Company may redeem all, but not some only, of the Bonds outstanding of the relevant Series at their principal amount plus accrued interest (i) if the price of the Shares is equal to or exceeds 130% of the prevailing conversion price within a certain period, or (ii) if at any time the aggregate principal amount of the Bonds of the relevant Series outstanding has fallen to 20% or less of the aggregate principal amount of the Bonds of the relevant Series originally issued.

The final terms of the Bonds are expected to be announced later today through a separate press release, and settlement is expected to take place on or around 7th February 2023. Following the settlement of the Bonds, the Company intends to arrange for the Bonds to be included to trading on the Open Market segment (*Freiverkehr*) of the Frankfurt Stock Exchange.

Use of Proceeds

The Company intends to use the net proceeds from the issue of the Bonds to finance a significant share of the intended acquisition of Expal Systems S.A., announced by Rheinmetall on 13 November 2022, to provide strategic flexibility to fund internal and external growth initiatives and for general corporate purposes. The remaining purchase price for Expal Systems S.A. is expected to be funded with cash on hand and bank loans.

The Company has agreed to a lock-up of 90 calendar days after the settlement of the Offering, subject to customary exemptions and waiver by the joint global coordinators.

contained in this announcement or its accuracy or completeness. No prospectus will be prepared in connection with the offering of the securities referred to herein. The securities referred to herein may not be offered to the public in any jurisdiction in circumstances which would require the preparation or registration of any prospectus or offering document relating to the securities referred to herein in such jurisdiction.

This announcement is not for publication or distribution, directly or indirectly, in or into the United States (including its territories and possessions), Australia, Japan or South Africa or any other jurisdiction where such announcement could be unlawful. The distribution of this announcement and the offer and sale of the securities referred to herein may be restricted by law in certain jurisdictions, and persons into whose possession any document or other information referred to herein comes should inform themselves about and observe any such restriction. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

This announcement does not contain or constitute or form part of, and should not be construed as, an offer or invitation to sell, or the solicitation of an offer to buy or subscribe for, any securities to any person in the United States, Australia, Japan or South Africa or in any jurisdiction to whom or in which such offer or solicitation is unlawful. The securities referred to herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or the laws of any state within the United States or under the applicable securities laws of Australia, Japan or South Africa, and may not be offered or sold in the United States, unless registered under the Securities Act or offered and sold in a transaction exempt from, or not subject to, the registration requirements of the Securities Act. Subject to certain exceptions, the securities referred to herein may not be offered or sold in Australia, Japan or South Africa or to, or for the account or benefit of, any national, resident or citizen of Australia, Japan or South Africa. There will be no public offer of the securities referred to herein in the United States, Australia, Canada, Japan or South Africa.

The offer referred to herein when made in member states of the European Economic Area ("EEA" and each member state, a "relevant member state"), is only addressed to and directed at persons who are qualified investors (the "Qualified Investors") as defined in Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 (the "Prospectus Regulation").

In the United Kingdom, this announcement is directed only at Qualified Investors within the meaning of Regulation (EU) 2017/1129 as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "EUWA") who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "Order") or (ii) who fall within Article 49(2)(a) to (d) of the Order, and (iii) to whom it may otherwise lawfully be communicated (all such persons together being referred to as "relevant persons"). This announcement must not be acted on or relied on (i) in the United Kingdom, by persons who are not relevant persons, and (ii) in any member state of the European Economic Area, by persons who are not Qualified Investors.

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Bonds have been subject to a product approval process, which has determined that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the

Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels. The target market assessment is without prejudice to the requirements of any contractual or legal selling restrictions in relation to any offering of the Bonds and/or the underlying shares. For the avoidance of doubt, the target market assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MIFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any action whatsoever with respect to the Bonds.

The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or the United Kingdom (the "UK"). For these purposes, a "retail investor" means (a) in the EEA, a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MIFID II; (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of article 4(1) of MIFID II; or (iii) not a Qualified Investor as defined in the Prospectus Regulation and (b) in the UK, a person who is one (or more) of (i) a retail client within the meaning of Regulation (EU) No. 2017/565 as it forms part of UK domestic law by virtue of the EUWA or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 of the UK (the "FSMA") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No. 1286/2014 (the "EU PRIIPs Regulation") or the EU PRIIPs Regulation as it forms part of UK domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the Bonds or otherwise making them available to retail investors in the EEA or the UK has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the EU PRIIPs Regulation and/or the UK PRIIPs Regulation.

No action has been taken that would permit an offering or an acquisition of the securities or a distribution of this announcement in any jurisdiction where such action would be unlawful. Persons into whose possession this announcement comes are required to inform themselves about and to observe any such restrictions.

Any forward-looking statements reflect the Company's current view with respect to future events and are subject to risks relating to future events and other risks, uncertainties and assumptions relating to the Company's business, results of operations, financial position, liquidity, prospects, growth or strategies. Forward-looking statements speak only as of the date they are made.

The Company and its affiliates expressly disclaim any obligation or undertaking to update, review or revise any forward-looking statement contained in this announcement whether as a result of new information, new events or circumstances, future developments or otherwise.

The date of admission of the Bonds and the shares issued upon conversion to trading may be influenced by things such as market conditions. There is no guarantee that admission will occur, and you should not base your financial decisions on the Company's intentions in relation to admission at this stage. Acquiring investments to which this announcement relates may expose an investor to a significant risk of losing all of the amount invested.
