**Gabler Group Wins EUR 11 Million Contract in the Submarine Systems Business**

**Lübeck (Germany), 7 July 2026 –** Gabler Group AG (ISIN: DE000A421RZ9 / Ticker: XK4, the "**Company**" or "**Gabler**"), an established developer and manufacturer of mission-critical subsea technologies in the business areas of Submarine Systems, Subsea Communications & Data and Subsea Power, has received an order with a volume of approximately EUR 11 million in its Submarine Systems business. The order underscores Gabler Group's long-standing expertise in mission-critical systems for underwater applications.

Execution of the order will begin in the coming years. Initial advance payments are expected from 2028 onward, with revenue expected to be recognized between 2029 and 2039. Due to contractual confidentiality obligations, no further information regarding the customer, the product or the project details can be disclosed.
