**Northern Data AG examines possible divestment of its cryptomining business Peak Mining**

**Frankfurt am Main, 21 October 2024** – The Management Board of Northern Data AG (ISIN: [DE000A0SMU87](#), the “**Company**”) resolved today to begin negotiations with interested parties regarding a possible divestment of its cryptomining business Peak Mining.

The Company hereby continues its strategic direction to focus on its AI Solutions business. Whether a divestment of Peak Mining will take place cannot yet be predicted and depends, among other things, on the current dynamic market environment for crypto currencies.
