Additional Information on the virtual Annual General Meeting 2021

Due to the COVID-19 pandemic, Knorr-Bremse AG will hold the Annual General Meeting 2021 as a virtual Annual General Meeting to protect all stakeholders. In the following questions and answers we have summarized what this means and which consequences it will have for the shareholders.

1. What is a virtual Annual General Meeting?

The term “virtual Annual General Meeting” currently refers to an Annual General Meeting without physical presence of shareholders and their representatives at the venue. This possibility was created as a reaction to the COVID-19 Pandemic with the Act on Measures in Corporate, Cooperative, Association, Foundation and Home Ownership Law to Combat the Effects of the COVID-19 Pandemic, last amended by the Act on the Further Shortening of the Residual Debt Exemption Procedure and on the Adjustment of Pandemic-Related Provisions in Corporate, Cooperative, Association and Foundation Law and in Tenancy and Lease Law of 20 December 2020, to avoid the risks of infection associated with an Annual General Meeting in presence. Unfortunately, the participation at the venue of the Annual General Meeting in person is therefore not possible this year either.

2. How can shareholders participate in the virtual Annual General Meeting?

On the AGM-Portal shareholders of the Knorr-Bremse AG can view the Annual General Meeting live in video and audio. Shareholders will receive the access data for the AGM-Portal after proper and timely registration together with their voting right card. The opening of the Annual General Meeting by the Chairman of the

Meeting and the speech of the Chairman of the Executing Board will be webcasted publicly at ir.knorr-bremse.com/hv without requiring access data.

3. On what record date does a shareholder have to hold Knorr-Bremse AG shares to be entitled to cast a vote?

Pursuant to section 21 of the company's Articles of Association, shareholders are entitled to participate in the virtual Annual General Meeting and to exercise their voting rights if they have registered with the company prior to that meeting and if they have submitted confirmation of their entitlement. Such entitlement must be proven in form of a confirmation of the shareholding issued by the ultimate intermediary, usually the depository institution. The confirmation of the shareholding must be valid as of 29 April 2021, 00:00 hrs. (CEST) (record date).

4. How can shareholders exercise their voting right?

Shareholders can exercise their voting right by postal vote or by granting authorization and instructions to company-nominated proxies, both in text form and electronic form. These options are available in the run-up to the Annual General Meeting and also online via the AGM-Portal during the meeting until the beginning of the vote. Thus, they can also include the explanations of the Executive Board and the answers to questions in their vote.

It is also possible to authorize a third party. However, such other representatives may also not attend the Annual General Meeting

in person, but may in particular exercise the voting rights by postal vote or by issuing a power of attorney and instructions to the proxies appointed by the Company only.

5. Do shareholders have the possibility to submit questions to the Executive Board?

Registered shareholders have the right to submit questions prior to the Annual General Meeting until Tuesday, 18 May 2021, 24:00 hrs. (CEST), at the latest, via the AGM-Portal. The Executive Board will decide at its dutiful discretion how to answer the questions in the virtual Annual General Meeting.
