Photofinishing Segment in Q3

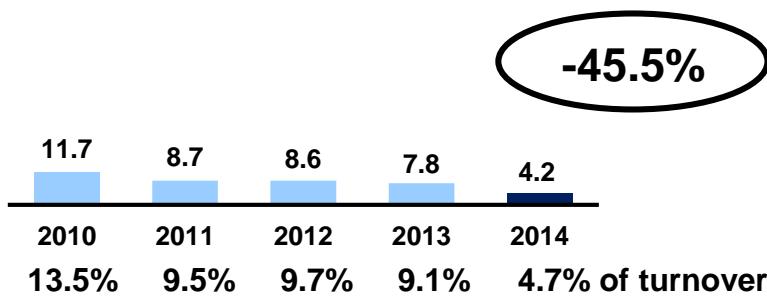

in Euro millions

Turnover

- Q3 turnover develops slightly better than expected
- Increase in turnover based on CEWE PHOTO BOOK and new CEWE brands (CEWE CALENDARS, CEWE CARDS, CEWE WALL PICTURES)

EBIT

- Higher costs for building up business in 2014: more expenses (incl. those for marketing (incl. Photokina) +2.6 m. euros) and slightly more staff costs (+0.3 m. euros) and other operating expenses (+0.6 m. euros, incl. mail-order costs and IT costs)

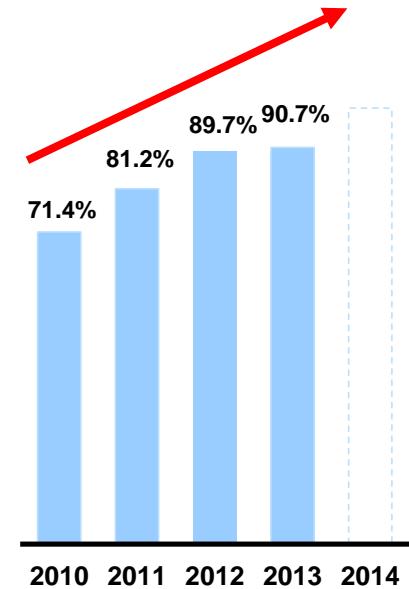

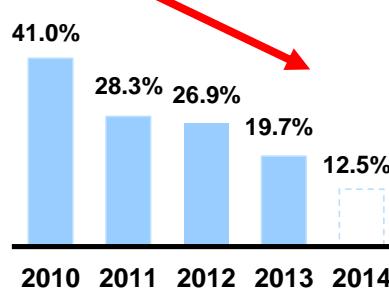

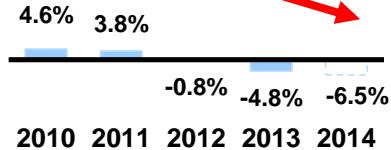

Rounding errors may result

- **Higher costs for building up business in the current quarter are the reason for the earnings delta against the previous year**

► Main reason for EBIT at the lower end of the scheduled range is photokina costs and Q4 ramp-up

* Group EBIT target for 2014 less planned online printing and retail EBIT

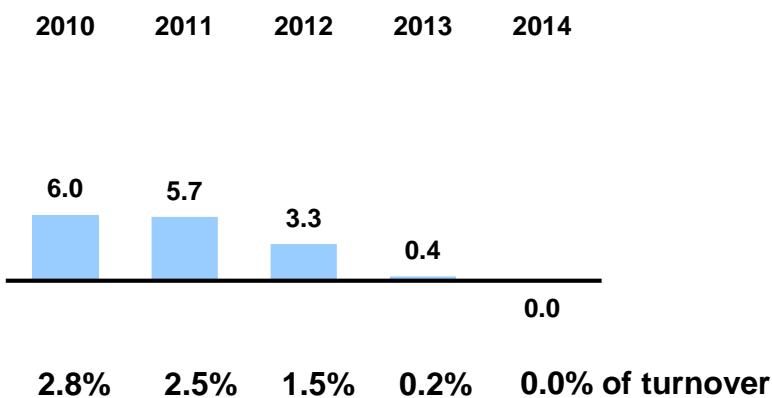

Rounding differences might occur

Photofinishing Segment in Q1-3

in Euro millions

- Added-value products more than compensate for the declines in sales resulting from ongoing seasons shift and declining sales of individual pictures.

- 2014 EBIT bears increased costs for building up business in preparation of continued growth in the Christmas quarter

- **Earnings in total almost at the previous year's level: a rise in costs, also for preparing the Christmas quarter, which continues to grow**

Online Printing Segment in Q3

in Euro millions

- Online printing turnover continues to grow in the third quarter

- Peak annual turnover (as in photofinishing) is in the fourth quarter

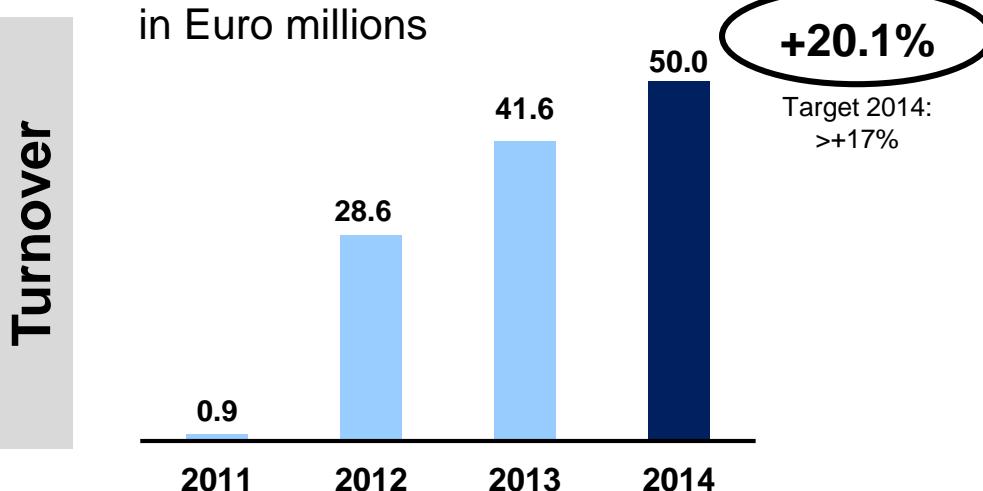

- EBIT better than in the previous year in spite of higher staff costs, higher delivery costs through growth abroad and more depreciation through third Heidelberg XL in Dresden
- Marketing expenses reduced slightly in Q3

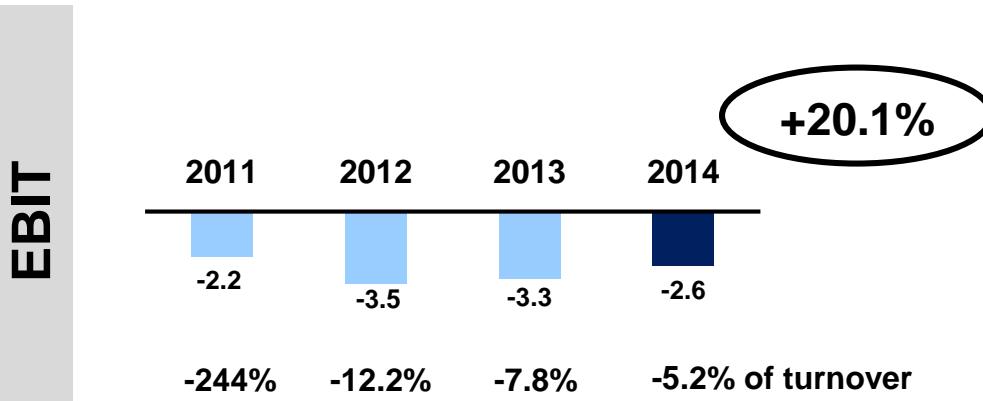

- ▶ "Online printing" segment continues to increase turnover
- ▶ Startup losses continue to be reduced

Rounding differences might occur

Online Printing Segment in Q1-3

- Online printing turnover continues to grow
- Growth greater than annual target (>17% required to reach annual target of >70 million euros)

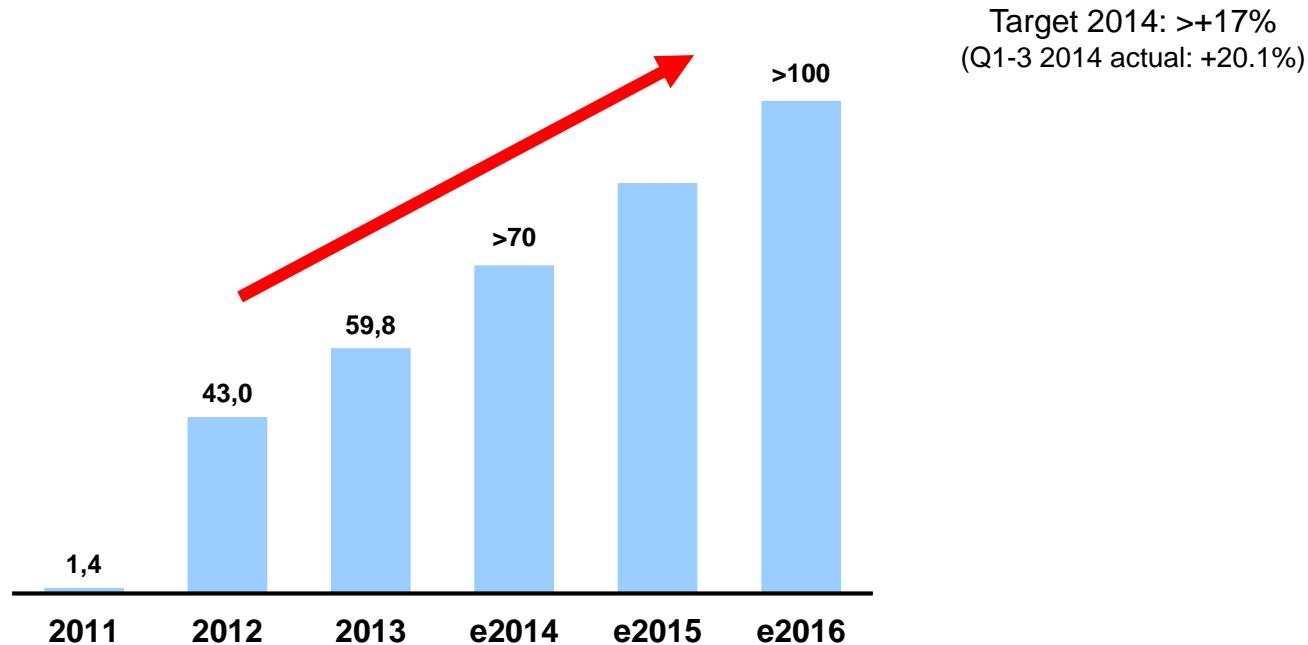

- EBIT better than in the previous year in spite of higher staff costs, higher delivery costs through growth abroad and more depreciation through third Heidelberg XL in Dresden
- Marketing expenses total almost exactly those of the previous year

- ▶ "Online printing" segment considerably increases turnover
