05

Amendment to the articles of association

The conditions for attending the Annual General Meeting and exercising voting rights were modified by the German Act for Implementing the Second Shareholder Rights Directive (Gesetz zur Umsetzung der zweiten Aktionärsrechterichtlinie – ARUG II). In the case of bearer shares of listed companies, the amended section 123(4) sentence 1 AktG pro-

vides that the proof of the last intermediary in accordance with the newly introduced section 67c(3) AktG shall in future suffice for attending the Annual General Meeting or exercising voting rights. Pursuant to § 15(4) sentence 1 of the Company's Articles of Association, in accordance with the provisions of the currently applicable version of section 123(4) sentence 1 AktG, a special proof of share ownership issued in text form and in German or English by the depositary institution is required for participation in the Annual General Meeting and the exercise of voting rights.

ARUG II entered into force on 1 January 2020. The amendments to section 123(4) sentence 1 AktG and the newly provided section 67c AktG shall become applicable, in accordance with section 26j(4) of the Introductory Act to the German Stock Corporation Act (Einführungsgesetz zum Aktiengesetz – EGAktG), only from 3 September 2020 and for the first time to annual general meetings that will be convened after 3 September 2020. They will thus become applicable already prior to the Company's Annual General Meeting in 2021.

A corresponding adjustment of the Articles of Association shall already be resolved upon now in order to avoid any inconsistency between the provisions on such proof for attending the Company's Annual General Meeting or for exercising voting rights in the Articles of Association and the law. The Management Board shall ensure, by way of a corresponding notification to the German Commercial Register (Handelsregister), that the amendment to the Articles of Association will not become effective before 3 September 2020.

Therefore, the Management Board and the Supervisory Board propose to resolve as follows:

§ 15 (4) of the Articles of Association shall be amended as follows:

„Special proof of shareholding is required for the proof of shareholding pursuant to subsection (1). Proof of shareholding in accordance with section 67c(3) AktG shall be sufficient in any case. Such proof of shareholding shall relate to the beginning of the 21st day prior to the General Meeting („record date“) and must be received by the Company at the address specified for this purpose in the notice of the General Meeting no later six days prior to the General Meeting. The notice of the General Meeting may provide for a shorter period, to be specified in days. Neither the day of the General Meeting nor the day of receipt shall be included in the calculation of this period.“

The Management Board is instructed to submit the amendment to the Articles of Association for entry into the commercial register only after **3 September 2020**.

Each no-par value share grants one vote in the Annual General Meeting. The Company has no treasury shares. Therefore, at the time of convening the Annual General Meeting, the total number of shares and voting rights each amount to 200,000,000.

Holding of the Annual General Meeting as a virtual Annual General Meeting without physical presence of the shareholders and their appointed representatives, audio and visual transmission

In view of the ongoing COVID-19 pandemic, the Annual General Meeting on 29 May 2020 will be held on the basis of the C19-AuswBekG as a virtual Annual General Meeting without the physical presence of shareholders and their proxies, with the possibility of following the virtual Annual General Meeting and exercising voting rights by way of electronic connection (**Connection**). Requirements for attending the Annual General Meeting and exercising shareholder rights, in particular voting rights

Those shareholders who register with the Company in text form (section 126b of the German Civil Code (*Bürgerliches Gesetzbuch* - BGB)) and in German or English at the address below and send the Company a special proof of their shareholding issued by their custodian institution (***Duly Registered Shareholders***) in text form to this address (section 126b BGB) in German or English are entitled to attend the Annual General Meeting and exercise their shareholder rights, in particular their voting rights:

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
Email: inhaberaktien@linkmarketservices.de

The proof of shareholding must refer to the beginning of 8 May 2020 (0.00 hours (CEST) - so-called „**Record Date**“). Both registration and proof of shareholding must have been received by the Company at the above mentioned address by the end of 22 May 2020 (24:00 hours (CEST)) at the latest.

In relation to the Company, only those shareholders who have provided special proof of their shareholding in time shall be considered shareholders for the purpose of connecting to the Annual General Meeting and exercising shareholder rights, in particular the voting right. If this proof of shareholding is not

provided or not provided in due form, the Company may reject the shareholder.

The entitlement to connect to the Annual General Meeting or the extent of the voting right is determined exclusively by the shareholding of the shareholder on the Record Date. The Record Date is not associated with a ban on the sale of shareholdings. Even in the event of the full or partial sale of the shareholding after the Record Date, only the shareholding of the shareholder on the Record Date is relevant for the exercise of shareholder rights, connection to the Annual General Meeting and the extent of voting rights; in other words, sales of shares after the Record Date have no effect on the entitlement of the shareholder and the extent of voting rights. The same applies to purchases and additional purchases of shares after the Record Date. Persons who do not yet own any shares at the Record Date and only become shareholders afterwards are only entitled (in particular to vote) for the shares they hold if they obtain proxy authorisation or authorisation to exercise such rights from the previous shareholder. The Record Date has no relevance for dividend entitlements.

After receipt by the Company of the registration and the special proof of shareholding, the shareholders will be sent voting cards for exercising their rights in relation to the Annual General Meeting, including the individual access data for the AGM Portal for the purpose of connecting to the Annual General Meeting and exercising shareholder rights.

Exercise of voting rights by absentee voting

Duly registered shareholders may cast their votes in text form or by means of electronic communication (absentee voting).

Before the Annual General Meeting, the absentee voting form sent with the voting card can be used for this purpose. The relevant form can be requested by post at the address TeamViewer AG, c/o Link Market Services GmbH, Landshuter Allee 10, 80637 Munich, Germany or by email to inhaberaktien@linkmarketservices.de and is also available for download on the Company's website under

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
Email: inhaberaktien@linkmarketservices.de

Absentee voting that cannot be assigned to a proper application without any doubt will not be considered.

Before and during the Annual General Meeting, the password-protected AGM Portal of the Company, which can be accessed at internet address

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

is also available for exercising voting rights by means of (electronic) absentee voting. Electronic absentee voting via the AGM Portal will be possible from 8 May 2020 until the commencement of voting on the day of the Annual General Meeting. The „*Briefwahl*“ (absentee voting) button on the AGM Portal is provided for this purpose.

Via the AGM portal, you can also change or revoke any votes previously cast by means of absentee voting during the Annual General Meeting until the commencement of voting. This also applies to votes cast using the absentee voting form.

If no express or clear vote is cast in the absentee voting with regard to an item on the agenda, this is considered to be an abstention on this agenda item.

If the Company receives several votes by absentee voting for one and the same shareholding or if it receives them by different means of transmission, the last formally valid vote cast by absentee voting shall be deemed binding. If different declarations are received by different means of transmission and it is not possible to identify which one was made last, they will be considered in the following order: 1. via AGM Portal, 2. via email, 3. in paper form. Votes cast by absentee voting are invalid if they are not formally valid.

Further instructions on absentee voting are included on the voting card sent to shareholders who have duly registered. Corresponding information and a more detailed description of the absentee voting can also be found on the Internet under

Exercising voting rights by issuing authorization and voting instructions to the proxies of the Company

As a service, we offer our shareholders the opportunity to authorise Company-nominated proxies bound

by instructions to exercise their voting rights at the Annual General Meeting. Insofar as proxies appointed by the Company are authorised, they must in any case be given instructions on the individual agenda items or the counter-motions and election proposals for the exercise of voting rights made accessible prior to the Annual General Meeting. The proxies are obliged to vote as instructed. The proxies will not exercise the voting right without having received such explicit instructions.

The authorisation of such proxies, the issuing of voting instructions and any amendments of such as well as the revocation of proxy authorisation must be effected in text form (section 126b BGB); they may only be made in the following ways:

Prior to the General Meeting, an authorization with instructions to the proxy holders can be granted by means of the form of authorization and voting instructions received by shareholders together with their voting card for the general meeting. The relevant form can be requested by post at the address

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
or by email to
inhaberaktien@linkmarketservices.de

and is also available for download on the Company's website under

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

For organizational reasons of the Company, the authorisation of the proxies and the issuing of instructions to them in advance of the Annual General Meeting by means of the form of authorization and voting

instructions should be completed by 28 May 2020 (24:00 hrs (CEST)) (date of receipt). The authorisation and instructions issued to the proxies appointed by the Company by means of the form of authorization and voting instructions shall be sent exclusively to the following address:

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
Email: inhaberaktien@linkmarketservices.de

Authorization and instructions to the proxies appointed by the Company can also be issued, changed or revoked electronically via the password-protected AGM Portal of the Company until the commencement of voting on the day of the Annual General Meeting. The „Vollmacht und Weisungen“ (authorization and instructions) button on the AGM Portal is provided for this purpose. Further details on the Company's AGM Portal are available to shareholders on the Internet under

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

If the proxies receive several authorizations and instructions for one and the same shareholding or if they receive them by different means of transmission, the last formally valid authorization issued and the corresponding instructions will be considered binding. If different declarations are received by different means of transmission and it is not possible to identify which one was made last, they will be considered in the following order: 1. via AGM Portal, 2. via email and 3. in paper form. The proxies will not represent the votes at the Annual General Meeting if the authorizations are not granted in a formally valid way. If the Company has received absentee voting in addition to an authorization having been granted

and instructions having been issued to the proxies appointed by the Company, the absentee voting will always be considered to have priority; accordingly, the proxies will not make use of the authorization granted to them in this regard and will not represent the relevant shares.

Further instructions on granting authorization and issuing instructions to the proxies appointed by the Company are included on the voting card sent to duly registered shareholders. Corresponding information is also available on the Internet under

▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

Authorisation of third parties to exercise voting and other rights

Shareholders can have their voting rights and other rights exercised by proxies, for example by a bank, a shareholders' association, a proxy advisor or any other authorised third party, after granting the appropriate authorization. A timely registration for the Annual General Meeting and proof of shareholding are required in accordance with the above provisions in these cases as well. Authorized third parties may in turn exercise the voting right by absentee voting or by granting authorization and instructions to the proxies of the Company (see above). If the shareholder authorises more than one person, the Company may reject one or more of them in accordance with section 134(3) sentence 2 AktG.

Pursuant to section 134(3) sentence 3 AktG, section 18(2) of the Articles of Association, the granting of authorization, its revocation and the proof of authorisation to the Company require text form (section 126b BGB) if no authorization is granted pursu-

ant to section 135 AktG. We would like to point out that when authorising the exercise of voting rights in accordance with section 135 AktG (proxy authorisation for intermediaries, proxy advisors, shareholders' associations, or other persons acting in a business-like manner), particularities must generally be observed. Shareholders intending to appoint a proxy for the exercise of voting rights in accordance with section 135 AktG are asked to obtain information on any particularities in conferment of authority from the party to be authorized in the respective case and to coordinate with such party.

The authorization may be granted to the authorised representative or to the Company. Evidence of a granted authorization can be verified by the authorised representative by sending the proof (e.g. the original or a copy of the authorization) by post or by email to

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
Email: inhaberaktien@linkmarketservices.de.

The above means of transmission are also available if the authorization is to be granted by declaration to the Company; in this case, there is no need for separate proof that the authorization has been granted. The revocation of an authorization already granted may also be declared directly to the Company using the aforementioned means of transmission.

If the granting or proof of an authorization or its revocation by means of a declaration to the Company is made by post, for organizational reasons it must be received by the Company by 28 May 2020, 24:00 hrs (date of receipt). Transmission to the Company by email is also still possible until the commencement of voting on the day of the Annual General Meeting.

Shareholders who wish to authorise a representative are requested to use the form provided by the Company for this purpose. It will be sent to the persons duly registered together with the voting card and can be requested by post at address

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
or via email to
inhaberaktien@linkmarketservices.de.

In addition, an authorisation form can also be downloaded from the Company's website under

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

Authorization can also be issued or revoked electronically via the password-protected AGM Portal of the Company until the commencement of voting on the day of the Annual General Meeting. The „*Vollmacht an Dritte*“ (authorization to third parties) button is provided for this purpose in the AGM Portal. Further details on the Company's AGM Portal are available to shareholders on the Internet under

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

The exercise of rights by an appointed representative and the connection via the AGM Portal requires that the appointed representative receives the access data sent with the voting card from the person granting the authorization. Proof of authorisation to the Company is required in this case as well. Proof of authorisation must be submitted to the Company in the manner described above.

Banks, shareholders' associations, proxy advisors

and other intermediaries or equivalent persons pursuant to section 135 AktG who represent a majority of shareholders are recommended to register in advance of the Annual General Meeting with regard to exercising their voting rights at the following address:

TeamViewer AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
Email: inhaberaktien@linkmarketservices.de

Further instructions on granting authorization to third parties are included on the voting card sent to duly registered shareholders. Corresponding information and a more detailed description of how to grant authorization to third parties via the AGM portal can also be viewed on the Internet at

- ▷ <https://ir.teamviewer.com/websites/teamviewer/English/4600/annual-general-meeting.html>

Each new item must be accompanied by a reason or a proposed resolution.

The request is to be addressed to the Management Board of the Company in writing and must be received by the Company at least 30 days prior to the meeting, i.e. by the end of 28 April 2020 (24:00 hrs (CEST)) at the latest. by the end of 26 May 2020, 24:00 hrs (CEST) will be considered in the virtual general meeting as having been filed.

Right to information pursuant to section 131(1) AktG

The shareholders' right to information is considerably restricted in the case of a virtual general meeting pursuant to section 1(2) C19-AuswBekG. Accordingly, the shareholders may only ask questions by way of electronic communication (section 1(2) sentence 1 no. 3 C19-AuswBekG). The Management Board may also stipulate that questions must be submitted at least two days before the Annual General Meeting. The Management Board of TeamViewer AG has made use of this option with the approval of the Supervisory Board. In accordance with section 1(2) sentence 2 C19-AuswBekG – in derogation of section 131 AktG – the Management Board decides on the answers to the questions only in its due and proper discretion. According to the explanatory memorandum to section 1(2) sentence 2 C19-AuswBekG, the management does not have to answer all questions under any circumstances; it can summarise questions and select meaningful questions in the interest of the other shareholders. In doing so, it may give preference to shareholder associations and institutional investors holding significant numbers of voting rights.

Reference is made to the above statements regarding the possibility for the shareholders to ask questions pursuant to section 1(2) sentence 1 no. 3 C19-AuswBekG.

Further explanations on shareholder rights

Further explanations on the shareholders' rights pursuant to section 122(2), section 126(1), section 127 and section 131(1) AktG in conjunction with section 1(2) sentence 1 no. 3 C19-AuswBekG are available at the Company's website at

Technical instructions for the virtual general meeting

To follow the virtual general meeting and to use the AGM Portal and exercise shareholder rights, you need an internet connection and an internet-capable device. In order to be able to display the video and audio transmission of the Annual General Meeting optimally, a stable internet connection with a sufficient transmission speed is recommended.

If you use a computer to receive the video and audio transmission of the virtual general meeting, you will need a browser and speakers or headphones.

To access the Company's password-protected AGM Portal, you need your individual access data, which you will receive together with your voting card. Using these access data, you can log in to the AGM Portal on the login page.

In order to avoid the risk of restrictions in the exercise of shareholder rights due to technical problems during the virtual general meeting, it is recommended to exercise shareholder rights (in particular voting rights), wherever possible, before the start of the Annual General Meeting.

Shareholders will receive further details regarding the AGM Portal and the registration and usage conditions together with their voting card or on the internet at

Information on availability of image and sound transmission

Duly registered shareholders can follow the Annual General Meeting on 29 May 2020 in full length live in audio and video from 11:00 a.m. (CEST) via the AGM Portal. The video and audio transmission of the virtual general meeting and the availability of the AGM Portal may be subject to fluctuations in accordance with the current state of the art due to restrictions on the availability of the telecommunications network and limitations on third-party internet services, on which the Company has no influence. The Company can therefore not assume any guarantees or liabi-

lity for the functionality and constant availability of the internet services used, the third-party network elements used, the video and audio transmission or the access to the AGM Portal and its general availability. The Company also does not assume any responsibility for errors and defects in the hardware and software used for the online service, including such of the service companies used, unless caused intentionally. For this reason, the Company recommends that the above-mentioned options for exercising rights, in particular voting rights, be exercised at an early stage. The chairman of the Annual General Meeting must reserve the right to interrupt or completely discontinue the virtual general meeting if this is mandatorily required for data protection or security considerations.
