Activities of the Supervisory Board

During the year under review, the Supervisory Board performed the duties required of it by law and by the Articles of Association of home24 SE. The Supervisory Board worked continuously with and regularly advised the Management Board, and monitored the management of the Company. The Management Board directly involved the Supervisory Board in all fundamental company decisions at all times. The strategic direction of the Group was closely coordinated by the Management Board and Supervisory Board.

During the reporting period, the Supervisory Board held a total of four ordinary meetings (on March 26, May 7, August 6, and November 8, 2021) and one inaugural meeting on June 17, all of which were attended by all Supervisory Board members. All ordinary meetings were held as video conferences because of the COVID-19 pandemic. At its meetings, the Supervisory Board dealt in detail with the economic position and operational and strategic development of the Company and its business units. In 2021, the Supervisory Board also passed numerous resolutions by written circular and during conference calls. Discussions in the regular plenary sessions held by the Supervisory Board of home24 SE focused on the development of revenue and earnings, cash flows and investments as well as employment trends within home24 SE, its subsidiaries and locations. The strategic orientation towards profitable growth for the Group and the effects of the COVID-19 pandemic on the Company played a particularly significant role in this regard.

Between meetings, the Management Board informed the Supervisory Board regularly, promptly and comprehensively both in writing and orally about all key issues and events of material significance for assessing the situation, development and management of the Company. For this purpose, the Management Board and Supervisory Board also held regular conference calls between meetings, at which the Management Board reported on current business trends, the position of the Group, short-term planning and strategic development.

The Management Board extensively discussed key business transactions for home24 SE and its subsidiaries with the Supervisory Board based on detailed reports. The Management Board submitted all transactions requiring approval for resolution in a timely manner and explained them to the

Supervisory Board. Mr. Lanz, in his role as Chairman of the Supervisory Board, and the other Supervisory Board members also remained in regular close personal contact with the Management Board, particularly its Chairman Marc Appelhoff, and discussed matters of strategy, business development, risk exposure, risk management and corporate compliance.

In particular, the Supervisory Board was involved in the acquisition of the Butlers Group and was kept regularly and comprehensively informed about the status of the preparatory measures. The matters requiring approval in this process were submitted to the Supervisory Board by the Management Board, explained in detail in each case and approved by the Supervisory Board.

The Supervisory Board's work also focused on preparing, reviewing and refining the remuneration system for the Management Board. The Management Board remuneration system presented by the Supervisory Board to the

Company's Annual General Meeting on June 17, 2021 was approved by the required majority. At its inaugural meeting on June 17, 2021, the Supervisory Board adopted a resolution to re-establish the Supervisory Board's Remuneration Committee, which had not been dissolved effective January 1, 2020. The Remuneration Committee discussed options for adjusting the Management Board remuneration system together with an independent external remuneration expert. In this context, the external remuneration expert also reviewed and confirmed the appropriateness of the level of Management Board remuneration.

Supervisory Board Committees

During financial year 2021, the Supervisory Board initially set up committees as specified in its Rules of Procedure (Audit Committee and Nomination Committee). Effective June 17, 2021, the Rules of Procedure were amended and a Remuneration Committee was established in addition to the existing committees.

In accordance with its Rules of Procedure, the Supervisory Board transferred certain powers to the committees as set out in statutory provisions. Where duties are not transferred to them to be dealt with conclusively, the committees undertake preparatory work on the issues and resolutions that concern them to be dealt with at plenary meetings. After committee meetings, the chairs of each committee regularly reported on the work of the committees at the Supervisory Board's plenary meetings.
