

## **CELANESE CORPORATION AUDIT COMMITTEE CHARTER**

**Purpose:** The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Celanese Corporation (the “Company”) is directly responsible for the appointment, compensation and oversight of the work of the Company’s independent auditors. The independent auditors report directly to the Committee. The Committee shall assist the Board in monitoring and overseeing: (i) accounting and reporting practices of the Company and compliance with legal and regulatory requirements regarding such accounting and reporting practices; (ii) the quality and integrity of the financial statements of the Company; (iii) internal control and compliance programs; (iv) the independent auditors’ qualifications and independence; and (v) the performance of the independent auditors and the Company’s internal audit function. In so doing, it is the responsibility of the Committee to maintain free and open means of communication between directors, independent auditors, internal auditors and management of the Company.

**Committee Membership:** The Committee will be composed of at least three directors appointed by the Board on recommendation of the Nominating and Corporate Governance Committee, each of whom the Board shall determine is independent under the Company’s Corporate Governance Guidelines and meets the independence and experience requirements for audit committee members of the New York Stock Exchange (“NYSE”), Section 10A(m)(3) of the Securities Exchange Act of 1934 and rules and regulations of the Securities and Exchange Commission, as in effect from time to time. All members of the Committee shall be “financially literate,” and at least one member of the Committee shall be an “audit committee financial expert” as defined under applicable law and regulations, as those qualifications are interpreted by the Board in its business judgment. A director may not serve as a member of the Committee if he or she serves on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee, and this determination is disclosed in the Company’s annual proxy statement. Committee members will continue to act until their successors are appointed by the Board and are subject to removal at any time by a majority of the whole Board.

**Authority and Responsibilities:** The responsibilities listed below are intended as a guide for fulfilling the Committee’s purposes, with the understanding that the Committee’s activities may diverge as appropriate given the circumstances. The Committee may perform other activities consistent with this charter, the Company’s Corporate Governance Guidelines and applicable listing standards, laws and regulations as the Committee or the Board considers appropriate. Subject to applicable legal and NYSE listing requirements, the Committee may delegate authority to individuals or subcommittees when it deems appropriate. The Committee may, in its sole discretion and at the Company’s expense, retain legal, accounting or other consultants or experts it deems appropriate in the performance of its duties and without having to seek the approval of the Board. The Committee shall receive appropriate funding, as determined by the Committee, from the Company for payment of compensation to the independent auditors and any such advisors and for the payment of ordinary administrative expenses that are necessary or appropriate in carrying out the Committee’s duties.

To the extent it deems necessary or appropriate, the Committee shall:
