

COMPANY PROFILE

With its brands Deutschland.Immobilien, DOMCURA, FERI, MLP, RVM and TPC, the MLP Group is the financial services provider for private, corporate and institutional clients. Special added value is created by networking the various perspectives and areas of expertise – enabling clients to reach better financial decisions. To this end, the MLP Group intelligently combines personal and digital offers. Several of the brands also offer selected products, services and technology for other financial services providers.

- Deutschland.Immobilien – The real estate platform for clients and financial consultants
- DOMCURA – The underwriting agency for financial consultants and consultant platforms
- FERI – Multi asset investment firm for institutional investors and high net worth individuals
- MLP – Financial consulting and banking for discerning clients
- RVM – Risk manager for insurance and provision solutions for SMEs
- TPC – Benefit expert network for enterprises

An intensive transfer of knowledge and expertise takes place within the network. The specialists support one another in the areas of research and concept development, as well as in client consulting. This valuable and targeted interaction generates additional value for clients, for the company and for its shareholders. Economic success also forms the basis for accepting social responsibility.

The Group was founded in 1971 and today manages total assets of approximately EUR 65.2 billion for around 597,100 private and around 27,400 corporate and institutional clients, as well as non-life insurance premium volumes of around EUR 859 million.
