

DR. GÜNTER BLASCHKE

Dr. Günter Blaschke, Buchloe,
Germany

Kaufmann

Nationality: German

Dr. Günter Blaschke, born 1949, obtained his PhD in the field of industrial management after having passed his studies of Business Administration at the University of Cologne, Germany.

He started his professional career 1978 as Assistant Manager for Marketing with Procter & Gamble GmbH, Schwalbach, Germany. From 1981 until 1990 he managed the departments Marketing, Product Management and Sales of video products with 3M Deutschland and later with 3M Europe in Brussels, Belgium.

Starting in 1990, Dr. Blaschke was variously responsible for Sales, Marketing, Production and Development for Germany and abroad at Joh. Vaillant GmbH & Co. KG, Remscheid, Germany. He switched, initially as Managing Director, to Rational GmbH, Landsberg am Lech, Germany, in March 1997 and was appointed CEO of Rational AG following the IPO in September 1999, a position he held until his retirement on December 31, 2013.

Dr. Blaschke has been Chairman of the Supervisory Board of WashTec AG since June 4, 2014. Dr. Blaschke was seconded to the Management Board of WashTec AG (as Chief Executive Officer) in accordance with Section 105 (2) AktG from July 15, 2019 to December 31, 2019.

Memberships in other statutory supervisory boards:

- Leifheit AG, Nassau, Germany (Chairman of the Supervisory Board)

Memberships in comparable domestic and international supervisory bodies of business enterprises:

- None
