Memberships in other statutory supervisory boards or comparable domestic and foreign supervisory bodies of commercial enterprises:

- Chairman of the Supervisory Board HAHN-Immobilien-Beteiligungs AG
- Chairman of the Administrative Board Adler Group S.A.

Special knowledge according to the competence matrix of the Supervisory Board, including the topic of sustainability:

Already in his earlier position as Chief Executive Officer (CEO) at Allianz Real Estate Germany GmbH, Stefan Brendgen dealt intensively with the topic of "Sustainable Building" as part of the projects for which he was responsible, for example in connection with the conversion of Frankfurt's "Triton Office Building" (approximately 50,000 sq m) into a "green" office building that was awarded the platinum certificate by the German Sustainable Building Council (DGNB). Stefan Brendgen has also contributed and continuously expanded his experience in the area of sustainability & ESG in his other professional positions as a consultant and member of the supervisory boards of large real estate companies.
