ABOUT ARES CAPITAL CORPORATION

Founded in 2004, Ares Capital is a leading specialty finance company focused on providing direct loans and other investments in private middle market companies in the United States. Ares Capital’s objective is to source and invest in high-quality borrowers that need capital to achieve their business goals, which often leads to economic growth and employment. Ares Capital believes its loans and other investments in these companies can generate attractive levels of current income and potential capital appreciation for investors. Ares Capital, through its investment manager, utilizes its extensive, direct origination capabilities and incumbent borrower relationships to source and underwrite predominantly senior secured loans but also subordinated debt and equity investments. Ares Capital has elected to be regulated as a business development company (“BDC”) and is the largest publicly traded BDC by market capitalization as of December 31, 2021. Ares Capital is externally managed by a subsidiary of Ares Management Corporation (NYSE: ARES), a publicly traded, leading global alternative investment manager.

FORWARD-LOOKING STATEMENTS

Statements included herein or on the webcast/conference call may constitute “forward-looking statements,” which relate to future events or Ares Capital’s future performance or financial condition. These statements are not guarantees of future performance, condition or results and involve a number of risks and uncertainties, including the impact of the COVID-19 pandemic and related changes in base interest rates and significant market volatility on our business, our portfolio companies, our industry and the global economy. Actual results and conditions may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in Ares Capital’s filings with the SEC. Ares Capital undertakes no duty to update any forward-looking statements made herein or on the webcast/conference call.
