Notes

The sections of the accompanying Directors' report entitled **Directors, Acquisition of the company's own shares, Authorities to allot share capital, Authority to disapply pre-emption rights, General meeting notice period and Recommendation** contain information regarding, and recommendations by the board of the company as to voting on, the resolutions to be proposed pursuant to 4 to 10 above, and set out at 13 to 18 above, in this notice (the 2024 Notice) of the 2024 AGM of the company.

The company specifies that in order to have the right to attend and vote at the AGM (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the company at close of business on 4 June 2024 or, in the event of any adjournment, at close of business on the date which is two days before the day of the adjourned meeting. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting. Please refer to the introduction to this notice for information on attendance at the 2024 AGM.

A holder of shares may appoint another person as that holder's proxy to exercise all or any of the holder's rights at the AGM. A holder of shares may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to (a) different share(s) held by the holder. A proxy need not be a member of the company. A form of proxy for the meeting can be requested from the company's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, by calling +44 (0) 370 707 1031 (lines are open from 8.30 am to 5.30 pm (UK time), Monday to Friday) or by email to webcorres@computershare.co.uk. To be valid, forms of proxy and other written instruments appointing a proxy must be received by post or by hand (during normal business hours only) by the company's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY by no later than 10.00 am on 4 June 2024.

Alternatively, appointment of a proxy may be submitted electronically by visiting www.investorcentre.co.uk/eproxy. You will be asked to enter the Control Number, Shareholder Reference Number (SRN) and PIN shown on the Form of Proxy, so that the appointment is received by the service by no later than 10.00 am on 4 June 2024 or the CREST electronic proxy appointment service as described below.

CREST members may register the appointment of a proxy or proxies for the AGM and any adjournment(s) thereof through the CREST electronic proxy appointment service by using the procedures described in the CREST Manual (available via www.euroclear.com/CREST) subject to the company's articles of association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment, or instruction regarding a proxy appointment, made or given using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with the specifications of Euroclear UK and Ireland Limited (Euroclear) and must contain the required information as described in the CREST Manual (available via www.euroclear.com/CREST). The CREST proxy instruction, regardless of whether it constitutes a proxy appointment or an instruction to amend a previous proxy appointment, must, in order to be valid, be transmitted so as to be received by the company's registrars (ID: 3RA50) by 10.00 am on 4 June 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST applications host) from which the company's registrars are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that such member's CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

If you are an institutional investor, you may be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Company's registrar, Computershare Investor Services PLC. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by 10.00 am on 4 June 2024 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

The rights of members in relation to the appointment of proxies described above do not apply to persons nominated under section 146 of the CA 2006 to enjoy information rights (nominated persons) but a nominated person may have a right, under an agreement with the member by whom such person was nominated, to be appointed (or to have someone else appointed) as a proxy for the AGM. If a nominated person has no such right or does not wish to exercise it, such person may have a right, under such an agreement, to give instructions to the member as to the exercise of voting rights.

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that, where more than one representative is appointed, each such representative is appointed to exercise the rights attached to (a) different share(s) held by the corporation. Any member attending the AGM has the right to ask questions. The company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.

A copy of this 2024 Notice, and other information required by section 311A of the CA 2006, may be found on the group's website at www.rea.co.uk.

Under section 527 of the CA 2006, members meeting the threshold requirements set out in that section have the right to require the company to publish on a website (in accordance with section 528 of the CA 2006) a statement setting out any matter that the members propose to raise at the relevant AGM relating to (i) the audit of the company's annual accounts that are to be laid before the AGM (including the independent auditor's report and the conduct of the audit); or (ii) any circumstance connected with an auditor of the company having ceased to hold office since the last AGM of the company. The company may not require the members requesting any such website publication to pay its expenses in complying with section 527 or section 528 of the CA 2006. Where the company is required to place a statement on a website under section 527 of the CA 2006, it must forward the statement to the company's auditor by not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the company has been required under section 527 of the CA 2006 to publish on a website.

Under section 338 and section 338A of the CA 2006, members meeting the threshold requirements in those sections have the right to require the company (i) to give, to members of the company entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the meeting and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the company not later than the date 6 clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

As at the date of this 2024 Notice, the issued share capital of the company comprises 43,963,529 ordinary shares, of which 132,500 are held as treasury shares, and 72,000,000 9 per cent cumulative preference shares. Accordingly, the voting rights attaching to shares of the company exercisable in respect of each of the resolutions to be proposed at the AGM total 43,831,029 as at the date of this 2024 Notice.

Shareholders may not use any electronic address (within the meaning of sub-section 4 of section 333 of the CA 2006) provided in this 2024 Notice (or any other related document) to communicate with the company for any purposes other than those expressly stated.
