
PETER WIEDEMANN

Peter Wiedemann, a German citizen born in 1959, graduated in mechanical engineering from the Technical University of Munich, Germany.

Peter Wiedemann began his professional career in 1988 at Rational GmbH, Landsberg am Lech, Germany, where he initially worked as an engineer in product development. In 1989, he was appointed acting head of service. From 1990 to 1993, he was in charge of product management. In 1993 and 1994, he set up the US sales subsidiary in Chicago, Rational Cooking Systems Inc., as Executive Vice President.

He was appointed assistant to the Managing Director of Rational GmbH in 1994 and became Technical Director in 1996. With the IPO, he was appointed Chief Technical Officer (CTO) of RATIONAL AG. From October 2022 until his departure in December 2024, Peter Wiedemann has been Chief Operating Officer (COO) of RATIONAL AG, responsible for Production & Logistics, Calculation, Service Parts, Operational Excellence, Patents and the iVario product group.

Peter Wiedemann is pro bono member of the advisory board of Factory of the Year and since June 2020 has been a member of the Rudolf Diesel Curatorium. Mr Wiedemann is also the 1st board member of Manufacturing eXcellence e.V., Berlin and a jury member of the Manufacturing Excellence Awards.

Peter Wiedemann has been a Member of the Supervisory Board of WashTec AG since May 16, 2022, and Deputy Chairman of the Supervisory Board since January 1, 2024.
